

**SWEETWATER COUNTY
SCHOOL DISTRICT #1**

Consent Agenda Item 9-1

Recommendation by the District Facilities Department for post approval and authorization of the payment to Wylie Construction, Inc., in the amount of \$34,077.27, for the site work for teacherage 110 Bugas that was moved from Wamsutter to Farson 1000. The site work included locating and moving the old water and sewer lines and pouring footings and a slab to accommodate the new teacherage footprint. Wylie Construction was already in Farson doing other work for the District and was willing to take on this project. This project will be funded through major maintenance dollars.
