

Instructions to get Sweetwater County School District #1's Crisis Management Plan

- 1) Download the "SchoolDude Crisis Manager" application from the App Store or the Android Store.
- 2) Open the Crisis Manager application
- 3) Select "Sign up for an account".

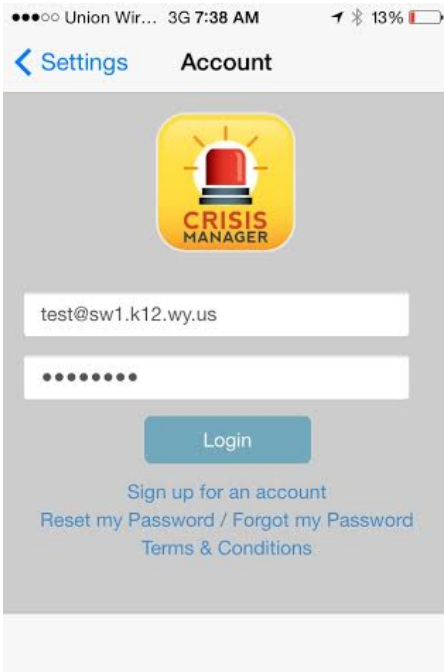

- 4) Fill in account information. You will need an email address and a password.

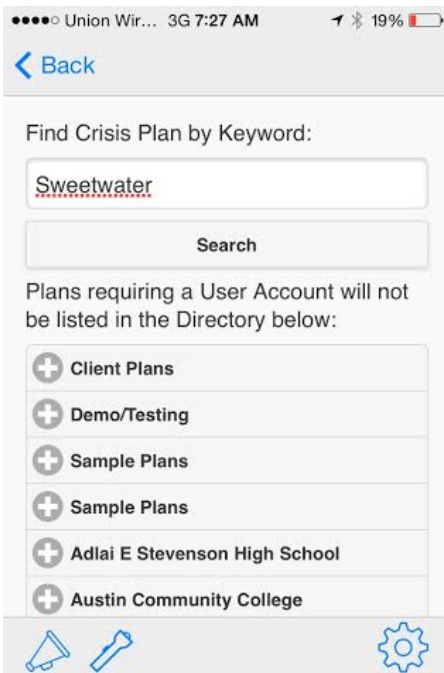

- 5) Login to the email account of the account you just created. Follow the email from "donotreply@schooldude.com" to verify your email address.

6) Go back into the SchoolDude Crisis Manager Application and login to the account you just created.

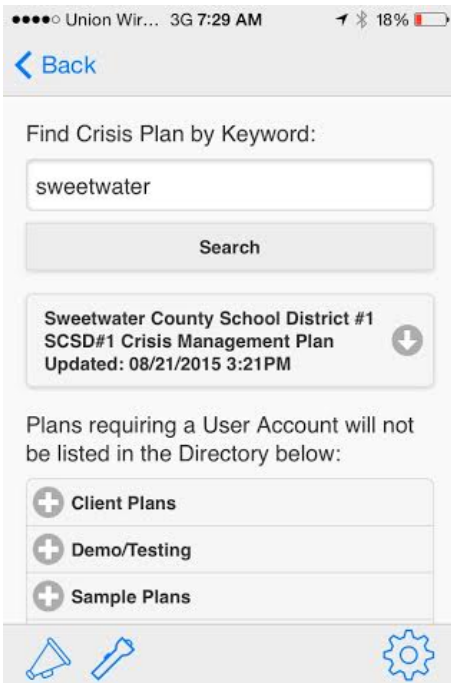

7) Select the “+” Button in the top right hand corner of the screen to add a crisis plan.

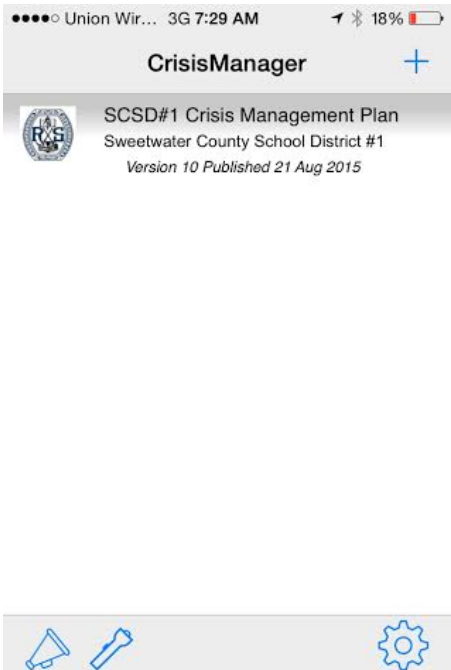

8) Enter the search term “sweetwater” into the search bar.

9) Select “Search”. Click on the top result which says “Sweetwater County School District #1, SCSD#1 Crisis Management Plan”. The management plan will start loading.

10) Once the plan has loaded, click on the SCSD#1 Crisis Management Plan from the home page.

11) Choose the correct action for the information you are looking for. Select, “Lockout, Lockdown, Evacuate, Shelter, Hold, Emergency Dismissal, or Death of Student or Staff”.
