

**SWEETWATER COUNTY  
SCHOOL DISTRICT #1**

### Consent Agenda Item 10-11

Recommendation to authorize the District's Facilities Department to go out to bid for the District-wide security upgrade, based upon State Assessments. Security upgrades include electronic access controls, secured vestibule, and other visitor control centers. The Architect/Engineer estimate for the project is \$700,000.00. This will be funded with one-time State Security funding, one-time 10% of the 2016 Major Maintenance budget and the Major Maintenance budget.
