Recommendation to authorize Rock Springs High School to purchase 214 Advanced Placement Exams in the amount of \$20,116.00. This is a sole source purchase. Each exam is \$94.00, of which the District pays one half and the students pay one half. The student half is paid upfront from the Rock Springs High School Associated Student Account, where the student fees are deposited. The 214 exams include, but are not limited to AP Chemistry, AP Biology, AP Psychology, AP Calculus, AP English, AP World History, and AP Government. We at Rock Springs High School believe that taking these exams has value for all students, and therefore push all students to take the exam as part of the course work. Additionally, this represents a commitment to provide a rigorous, challenging path for our advanced students as well as those students who want to challenge themselves.
