"GROWING STUDENTS TO BE PRODUCTIVE CITIZENS IN A MULTI-CULTURAL SOCIETY"

October 2, 2017 Press Release Regarding Lisa Romero-Muniz

As a district we are extremely shocked and saddened by the recent shooting in Las Vegas, NV. This tragedy has not only affected our country but has directly impacted our educational community here in Gallup-McKinley County Schools.

Last night Lisa Romero-Muniz lost her life during this senseless shooting. She was not only an employee of our school district, but was an incredible loving and sincere friend, mentor and advocate for students in many of our schools. As a colleague, she was also outgoing, kind and considerate of all those she worked with and we will miss all of these great attributes she shared with students, staff and parents in our community.

At this time, we are especially mindful and concerned for Lisa's family. Our prayers and sincere faith for peace and comfort during this very difficult time goes out to them. We cannot express enough the loss that our organization feels at this time and the heartache we feel for Lisa's husband, children, grandchildren and family.

Our prayers go out to all families and friends affected by this horrific tragedy.

Sincerely,

Mike Hyatt
