WHAT IS IT?

# Online Sports Registration

We are excited to announce that we are now offering the convenience of online registration through FamilyID (**[www.familyid.com](http://www.familyid.com)**).

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.
