

Parent Responsibilities  
During a School  
Emergency and  
Reunification After a  
School Emergency

✓THE ROLE OF PARENTS IN  
AN EMERGENCY

In a school emergency, the first instinct as a parent is to pick up the telephone and start calling the school or rush to the school to bring your child/children home. The truth is, this only complicates matters from a safety and security stand- point.

Parents too close to an incident often hinder the rescue attempts of police and fire officials on the scene.

The best action parents can take in an emergency is to [stay close to their phone and e-mail and to monitor local radio and TV reports](#) for regular updates and instructions.

When and Why Are Students and Staff Asked to Lockdown, Lockout, Shelter-in-Place, or Evacuate/Relocate.

✓SCHOOL EMERGENCY RESPONSE PROTOCOLS

A school crisis can take a number of forms including an environmental event, such as a chemical spill or gas leak; a weather emergency, such as a tornado warning; or an intruder in or near the school. The nature of a school crisis dictates whether school officials will put in place a lockdown, lockout, shelter-in-place, evacuation or any combination of these protocols, as a means to ensure the safety and well-being of students and staff.
