Port Chester School District Pre-Kindergarten Registration Now Open

The free Pre-Kindergarten program offered by the Port Chester Schools in partnership with Westchester Community Opportunity Program has opened its enrollment for the 2017-2018 school year.

There are up to 345 slots available for the 2017-2018 school year at the two Head Start sites at 17 Spring Street and 400 Westchester Avenue.

Applications are available on the Pre-Kindergarten school page of the Port Chester district website (www.portchesterschools.org/prekindergarten). They also can be obtained in person at 17 Spring Street.

This year-long program is open to children who:

- Will be 4 year's old by December 1, 2017
- Are residents of the Port Chester
- Meet the established Federal and State income guidelines

In Pre-K, the children will build necessary social, emotional and academic skills, preparing them for Kindergarten through a developmentally appropriate curriculum. Children with special needs are included. Each site offers classroom configuration options for working parents. '

For enquiries, parents/guardians can contact Elsy Gonzalez, Pre-K Administrator for the Port Chester School District, or Madelaine Pilpel, Head Start Director. They can be reached at the 17 Spring Street, Port Chester center or by telephone at 914-937-5863 or 914-937-5864.
