#### **PUBLIC COMMENT**

Richard Hyman – Lafayette Dr., Port Chester, NY, introduced himself as an expert in analyzing affordable housing. Mr. Hyman discussed the financial impact of the newly developed Mariner Apartments. In Mr. Hyman's opinion, the Mariner will impact the school district greatly. Mr. Hyman suggested the Board re-look at the cost benefits of new developments built in Port Chester that could be a benefit to the School District.

Mr. Lori, of 60 Upland Street stated that he requested authorization from the Board for school tax relief. He has not been successful with any financial institutions for refinancing possibilities. He expressed fear in losing his home after 60 years. He will continue to fight to save his home. He ended by thanking the Board for their time.

Ms. Capeci thanked Mr. Lori and noted that Mr. Lori had previously met with Ms. McAward, and that his case was reviewed in depth.

Ms. McAward confirmed her discussion with Mr. Lori. She noted that for every dollar that is reduced on one person's tax bill, the rest of the community absorbs the difference.
