

Gadsden Foundation, Inc.

Scholarship Fund

The Gadsden Foundation is a non-profit organization established in 1998 for the purpose of providing scholarships to graduates of Chaparral High School, Gadsden High School and Santa Teresa High School. Contributions to support the scholarships have come solely from GISD employees. The Gadsden Foundation has awarded scholarships to 101 GISD graduates. This year our goal is simple – to AWARD \$15, 000 IN SCHOLARSHIPS.

Superintendent & Board CHALLENGE

Superintendent Yturralde and the Board of Education would like to challenge all employees of the District to support our students and help us reach our goal. The district employs 1,119 certified staff, 778 classified staff and 80 administrative staff for a total 1,977 employees. The challenge is for each administrative and certified employee to contribute \$10 and each classified employee to contribute \$5, the contributions would total \$15,880. This would surpass our goal.
