

The Winona School District's Board of Trustees welcomes and encourages parent, student and community involvement in all matters regarding our schools and the education of our students. You are welcome to join us at one or all of our school board meetings that generally take place the second Tuesday of each month at 6:00 P.M. at our Central Office in the Conference Room. Our board meetings are dedicated to normal district business as well as student and staff recognition. For more information on our board meetings, please call the Superintendent's Administrative Secretary at [662-283-3731](tel:662-283-3731). You can email the school board at **[schoolboard@winonaschools.net](mailto:schoolboard@winonaschools.net)**.
