SCHOOL SAFETY

In response to the National Homeland Security Act, the Winona School District will make every effort to provide a safe and orderly school environment.

CODE OF CONDUCT

It is the inherent right of every person in this country to receive an opportunity for an education. It is also the right of every student attending Winona Elementary School to attend a school where a safe and orderly educational climate is constantly maintained. Therefore, it is the responsibility of every student in this school system to conduct himself or herself in such a manner that would in no way hinder the educational process of other students. While neither discipline nor conduct appear in the curriculum as such, they are both foundations in the school's curriculum. Hence, all students are expected to abide by the rules of public law, common courtesy, and local school policy to ensure an orderly learning process and a safe educational environment for all students attending Winona schools.

Any Winona Public School student who is charged with a felony or is generally known to be involved in any undesirable activity either on or off school property will be suspended from

school until the matter is resolved if his or her presence in school is likely to be disruptive to the educational process. At the principal's discretion, arrangements may be made for the student to receive, turn in assignments, and take exams at a time and place away from other students until the matter is fully resolved.

Any student with disabilities will be expected to follow the Code of Conduct as stated in this handbook. The IEP and/or Local Survey Committees for students with disabilities will convene as necessary and appropriate under IDEA to make decisions concerning suspension, expulsion, change in placement, and/or behavior plans.

POSITIVE BEHAVIORAL INTERVENTION AND SUPPORTS (PBIS)

Winona Elementary School implements the Positive Behavioral Intervention and Supports (PBIS) system as the way to approach behavior and discipline in the school. In connection with the Response to Intervention (RTI) strategies, PBIS implements a three-tiered approach based on data to develop effective interventions, and proactive, educative strategies to create a safe environment where positive behavior and learning can occur.

On the tier one level, procedures and processes are applied to all students on a school wide and classroom level. To maintain a tier one level a student must have fewer than two office discipline referrals for a semester.

If a student acquires between two and five office discipline referrals within a semester, the student will be moved to tier two. In tier two, the student will experience intervention procedures and processes that will address his/her behavioral issues. The student may be grouped with other students with similar behavioral problems or behaviors that seem to occur for the same reasons.

If a student acquires more than five referrals within a school year, the student will be moved to tier three. Interventions will occur that include processes and procedures that reflect school-wide expectations for student behavior coupled with team-based strategies to address the problematic behaviors of the individual student.

DISRUPTIVE BEHAVIOR

Before the student can return to school, both the student and parents are encouraged to attend Family Counseling at the parents' expense. Upon the written recommendation of the Counselor, the student may return to school earlier than the full period of suspension or expulsion upon approval of the board. The parents and student must sign an agreement with the school stating that the student will not be involved in any type of drug activities.

XI. PROFANE LANGUAGE, OBSCENE GESTURES, AND PORNOGRAPHIC MATERIALS

A. These behaviors and materials are in no manner conducive to learning.

Because they are a hindrance to the educational process, profane language, obscene gestures, and pornographic materials are disallowed at school and at school sponsored functions. Students may not use school computers to retrieve pornographic materials.

B. Students who participate in these behaviors will be given a three-day suspension depending on the severity of the situation. A parent must return to school with the student for a parent conference with the principal.

C. Pornographic materials will be confiscated and not returned to the student.

D. Should a student cause a public embarrassment to the school, the administrator in charge may remove the student from the school, team, or organization and administer other punishment as deemed necessary.

XII. STUDENT ABUSE, SEXUAL/VERBAL HARASSMENT

A. Every student has a right to attend school without fear of being abused, harassed, or threatened by other students. Therefore, students should be aware that verbal or

physical abuse, verbal harassment, sexual harassment, verbal threats, or racial remarks of any type will not be tolerated.

B. Sexual Harassment

1. By federal definition sexual harassment is defined as unwanted, uninvited behavior of a sexual nature that interferes with one's education or right to participate in school activities. It may involve remarks, gestures, or actions of a sexual nature that make a person unsafe or uncomfortable. It creates an intimidating hostile or offensive learning environment.

2. Title IX states examples of Conduct that may fall within the definition of "Sexual Harassment" include, but are not limited to the following: sexual advances, touching of a sexual nature, graffiti of a sexual nature, displaying or distributing of sexually explicit drawings, pictures, and written materials, sexual gestures, sexual or dirty jokes, pressure for sexual favors, touching oneself sexually or talking about one's sexual activity in front of others; and spreading rumors about or rating other student's sexual performance.

C. The student making these threats will be placed in ISD for 3 days. The student and parent/guardian must attend a conference with the counselor before the student can reenter. If the parent does not attend the conference with the student, the student will be suspended from school until the parent comes for the conference.

D. Students involved in a second offense of the above threats will be suspended for 3 days.

E. Students involved in a third offense will be suspended for 5 days.

F. After a third offense, students will be suspended for the remainder of the school year and reported to Title IX Coordinator.

G. Harassment records are kept from year to year. Harassment charges **ARE NOT DROPPED** at the end of each school year.

XIII. THREATS OF VIOLENCE

Threats of violence and acts of violence against the school property or anyone connected with the school will be taken seriously by the school board.

A. Any person who makes potentially life-threatening statements concerning students, teachers, administrators, or staff members of this school district will be arrested, suspended from the school district, and prosecuted to the fullest extent of the law. Every person associated with this school district has the inherent right to attend or work at Winona

Public Schools without fear of bodily harm. Therefore, the administration will make every effort possible to ensure a safe and orderly environment for students and all school employees. There will be zero tolerance allowed for making playful, unintended life-threatening remarks. Any remark of this nature cannot and will not be tolerated.

- B. Bomb threats, false fire alarms, threats of property damage, or other life threatening actions made to the school are a violation of Federal Code 844. The penalty for making such threats is five years in prison and a \$250,000 fine. Anyone, whether student or adult, caught making such threats to the school will be prosecuted. If the caller is a student, the student will be suspended from the school district.

XIV. STEALING

Stealing at school will not be tolerated at all. A student who is found guilty of stealing at school shall be disciplined as follows:

- A. Any student who writes vulgar, profane, or otherwise filthy notes to another student, faculty member, or staff member will be paddled, or given a 3 day suspension depending on the severity of the language. XIV. BEHAVIOR AT SCHOOL SPONSORED FUNCTIONS

School-sponsored functions include any event connected with the Winona Public Schools. Because students who attend Winona Public Schools are representatives of the school in the community and state, all students must conduct themselves at all school-sponsored events just as they would at school during regular school hours.

Students are subject to the same code of conduct and punishment at these events as they are at school. Depending on the severity of the situation, a student may be banned from attending any further extra curricular functions.

Because all school functions such as athletic events, band trips, and choir trips are under the guidelines of the Mississippi High School Activities Association, misbehavior on the part of students and fans may cause the school to be placed on probation. Therefore, all persons attending these

events must conduct themselves in an orderly manner.

RIGHT OF SEARCH

- I. The school recognizes the right of students to privacy and security against arbitrary invasion of their personal property. The school board maintains the position that the school must be kept safe for all persons concerned. Therefore, school officials may institute a search if there are reasonable grounds to believe that the search will reveal evidence that the student's behavior has violated or is violating the law or the school policy.
- II. School officials are not required by law to obtain a search warrant to carry out searches independent of the police and other law enforcement officials. School officials are within legal rights if a search of students is required. The school reserves the right to conduct a periodic search of lockers, vehicles, or personal property at regular intervals if the administration deems it necessary.
- III. Female students will be searched by female school officials, and male students will be searched by male school officials.
- IV. If it is deemed necessary, any school official has the legal right to search a student's locker, vehicle, or personal belongings if the student is suspected to have drugs, weapons of any type, or any other articles considered a safety hazard to the school.

DRESS AND GROOMING

Good learning situations depend on the best possible behavior and attitude of the student. Students are encouraged to take pride in themselves and strive to meet public expectations. Students should be neat and clean, thus reflecting favorably on themselves and the school.

Safety, health, and individual dignity provide the basis for any dress code. If clothing is disruptive to the learning situation or if it is embarrassing to others, steps will be taken to deal with the individual student.

It is believed by the administration that parents/legal guardians, as well as teachers, should recognize that the main purpose of public education is to provide an education for the students that will allow them to become useful citizens in our society. Any disruption or concerns caused by the students as a result of dress or grooming will call for appropriate disciplinary action by school authorities.

The dress code applies to all students on school-sponsored trips and all school days including review and examination days. Teachers may at any time counsel with students about attire that may not be acceptable. When adhering to the standards of dress the principal or his/her designee shall render the final authority.

Since it is impossible to address in the handbook every dress and grooming style, it will be left to the discretion of the administration to determine whether or not a student is willfully disobeying the spirit of the policy. In that case, a

student's individual situation will be addressed by the principal.

SUSPENSION AND DUE PROCESS

Suspension is the denial of the privilege to attend classes within the Winona School District. When inappropriate behavior cannot be corrected with minor punishment such as a paddling or In School Detention, the school must resort to a more severe form of punishment-**SUSPENSION**. Therefore, the School Board authorizes the principal or his designee to suspend any student for any act of misconduct or insubordination as a final effort to

influence the student's future behavior and maintain a safe educational environment for other students and teachers.

ALTERNATIVE EDUCATION

Alternative Education is an alternate form of education that is designed to help students who are unable to cope in the regular school environmental setting. Recognizing that all school districts in the state have such students, the Mississippi Legislature mandated that all school districts institute an Alternative School within their district. The Winona School District operates an Alternative School for any student who needs to be removed from the regular classroom for discipline or academic reasons. The following types of students will be assigned to the alternative school:

I. ELIGIBILITY

- A. Students who have been suspended from the regular school setting and are approved by the screening committee;
- B. Students who have received too many detentions or reprimands to remain in the regular school environment;
- C. Special education students who cannot cope in the regular special education classes, and IEP committee has recommended placement;

DISTRICT OWNED TEXTBOOKS

A necessary ingredient for any curriculum is the textbook. Students who attend school in Mississippi are fortunate because the District provides textbooks for each student in each subject. (Appendix A-28) Although the textbooks used in public schools are provided for student use at no expense to the student, these district owned textbooks are very expensive, and students should be aware of the following guidelines to be used for textbooks:

- A. Because the school must use the textbooks for at least five years before new adoptions are released, the students are asked to take extremely good care of their books;
- B. The use of book covers is encouraged to keep the books in good shape; all marks within the books should be erased prior to returning the book at the end of the school year;
- C. Textbooks that are damaged in any way or lost must be paid for before a student can take his/her examination or receive the report card;
- D. Students who owe book fines for lost or damaged textbooks from the previous year will not be issued textbooks for the current year;
- E. School records will not be sent to another school until all books are returned or paid for;
- F. The school reserves the right to file judgement in the Justice Court System to gain payment for textbooks not returned or paid for by the person signing the book card.

GRADING SYSTEM

Because grades are considered to be a vital component of the student's permanent record, it should be the student's primary objective to present a quality scholastic record of his/her work. The grading system will be based on the following components:

I. GRADING PERIOD

The school year consists of 4 nine-weeks grading periods.

II. GRADING SCALE

The grading system at Winona Elementary School is based on the following scale:

A.	90-100	Excellent
B.	80-89	Good
C.	72-79	Average
D.	65-71	Poor
F.	Below 65	Failing

G. Numerical grades will be recorded on the report card for each subject. This numerical grade will be used in computing semester and yearly averages, and in recording grades on cumulative records.

III. HONOR ROLL

In order for our students to be recognized for their academic achievements, a list of honor students will be published at the end of each nine-week period in the local newspaper. Students with all A's will be on the Superintendent's List, students with all A's and B's will be on the Principal's List, and students with all B's will be on the Honor Roll. The students will receive certificates at the end of the school year.

IV. REPORTING TO PARENTS

A. PURPOSE

Progress reports and report cards are designed to keep students and parents informed about student progress. Students should not interpret progress reports in a negative manner; progress reports should be interpreted as a positive tool to keep students up-to-date on academic progress.

B. PROGRESS REPORTS

1. Progress reports will be sent out the 5th week of each nine-week period.
2. The student is responsible for taking the progress report home to the parent. Parents are encouraged to make conference arrangements and determine the needs of the student to help him/her attain passing marks (if applicable) before report cards are issued.

C. REPORT CARDS

1. Report cards will be picked up at the end of each nine-week period.
2. Parents will be notified through the news media, student handbook calendar, and school sign when report cards will be picked up.

If at the end of the coursework, the student masters the objectives set and meets attendance requirements, the student is eligible for promotion to the next grade upon approval by the classroom teacher, principal and superintendent.

HOMEWORK

Parents should expect students to do homework each and every night as assigned by the teachers.

Students will take home graded papers on Tuesdays.

TESTING

Testing is an integral part of the educational process and should be taken very seriously by students and teachers. No more than two major tests will be given in any grade on the same day. Spelling is not counted as a major subject.

I. TEST SCHEDULES

A. The test dates for state testing can be found on the school calendar on page 3.

B. Student averages will be based on the following percentages: 25% of a student's average is based on formative grades (ex. Homework, Daily Checklists) 75 % of a student's average is based on summative grades (ex. Unit Tests, Projects).

II. CHEATING ON TESTS-Winona Public Schools are proud of their students in honoring student integrity. Cheating in all forms is a dishonest deed and can corrupt an entire community or individual students. Students are encouraged to do their own work on tests so they can be proud of their conduct and records in years to come.

A. A student observed by the teacher cheating on any test will have the test paper taken immediately.

B. **The student will be given a "O" on any test when caught cheating on the test.**

C. The parent will be notified and requested to come to the school to discuss the situation with the principal.

III. LATE FOR REQUIRED STATE OF MISSISSIPPI TESTS

A. Any student who is late for a required State Test or another designated state test will not be admitted to the test and will be administered the test at a designated make-up time.

B. No student from grades 3-6 may be checked out from school during a State designated test.

IV. EXCUSED ABSENCES FROM TESTING

A. If a student is sick or some other emergency arises, a parent should contact the office before the scheduled time for the test.

B. If school officials approve the reason for the absence, the make-up test will be given, and no deduction will be taken from the grade on the makeup test.

ATTENDANCE AND ABSENCE/TARDY POLICY

I. MISSISSIPPI LAW

The Mississippi Legislature recognized the importance of education and the importance of children being in school. In keeping with the spirit of the law and recognizing that a student cannot gain a good education without attending school on a regular basis, the Winona School District has established high standards for attendance and absences as reflected in the following policy of the Winona School Board

According to Mississippi Code Section 37-13-91 which defines Compulsory School Attendance, all children between the ages of 6 and 17 must attend school each day. By Mississippi Law, the only absences that can be excused by the principal or his designee are those listed below.

Section 37-13-91 states that an absence may be excused only when it is demonstrated to the satisfaction of the superintendent, principal, or his designee that conditions are sufficient to warrant the compulsory-school-age child's nonattendance.

Days missed from school due to disciplinary suspension SHALL NOT be considered an "excused" absence under the provisions of the law.

Each of the following shall constitute a valid excuse for temporary absence of a compulsory-school-age child, provided satisfactory evidence of the excuse is supplied in writing to the school

principal or his designee by the parent or guardian of the student. The written excuse must accompany the student upon returning to school the day following the absence.

A. EXCUSED ABSENCES DEFINED

An absence is Excused when the absence is due to:

- (1) the student's attendance of an authorized school activity. This applies only when the student is a participant in the activity and travels as a group/team member with the sponsor/coach. This does not include going to the event as an observer only;
- (2) a personal illness or injury which prevents the child from being physically able to attend school;
- (3) an order by the county health officer, the State Board of Health, or appropriate school official;
- (4) the death or serious illness of a member of the immediate family. The immediate family members shall include children, spouse, grandparents, parents, brothers, and sisters;
- (5) a medical or dental appointment where an approval of the principal is gained prior to the absence, except in the case of emergency;
- (6) a required court appearance if the student is a party to the action or under subpoena as a witness;
- (7) an observance of a religious event to which the parents adheres. The approval of such absence is within the discretion of the principal and must not be of such duration as to interfere with the education of the student.

B. Excuses such as "needed at home, out of town, driving family members for medical appointments, hunting, school uniform not available, etc." do not fall within the bounds of the law. The compulsory attendance law does not allow for absences other than those listed above. Therefore, unless the reason for an absence falls within the legal bounds listed above, the student's absence will be unexcused according to state law.

C. No absences may be excused when any student's absences, suspensions, or expulsions circumvent the intent and spirit of the compulsory attendance law.

D. Under special conditions, the superintendent, principal, or his designee may grant an excused absence.

ATTENDANCE REQUIREMENT

I. Perfect Attendance

A. Perfect attendance is defined as being present each school day.

B. In order for students to receive a perfect

attendance award, he or she must attend school each day for a **MINIMUM** of 64% of the day and have no more than two absences in one class.

EXTENDED ILLNESS /CHRONIC ILLNESS

A. An extended illness is defined as any illness that causes a student to be confined in the hospital or at home for a period of time that exceeds 10 days.

B. Chronic illness is defined as a recurring or ongoing illness that causes a student to be confined in the hospital or at home periodically throughout the school year causing the student to exceed the maximum absences allowed. Pregnancy is not considered an extended/chronic illness.

C. Students with an extended illness or chronic illness will need to inform the Elementary School Office. A written statement from the student's physician may be requested to keep on file.

II. EXCUSED ABSENCES

Students are encouraged to be in school each day. However, it is recognized that circumstances may make it necessary for a student to be absent from school on occasion. Students should not use absences unnecessarily since an emergency may arise later in the school year when the absences will be needed.

A. Of the twenty absences allowed, ten of the absences may be excused by a written note from a parent or legal guardian. **The remaining absences may be excused only by a note from a physician, dentist, or government agency. After the 10th parent excuse, a parent or legal guardian must accompany the student back to school for each additional absence.**

B. A student who has a passing average in a course but exceeds the maximum number of absences will be subject to failure. Under certain circumstances the student and parent may be requested to appear before an Attendance Hearing Committee, who will recommend pass or failure depending on the circumstances surrounding the absences.

III. SKIPPING SCHOOL/TRUANCY

Because of the potential danger involved when a student skips school, skipping school will not be tolerated.

A. Any student who skips school or intentionally leaves school without permission will be suspended for three (3) days.

B. Any group of students who skips school or leaves during the day will be suspended for one week.

C. A parent/guardian must accompany the student back to school in order to reenter the student any time an absence is unexcused.

D. Students who skip school will receive an automatic unexcused absence for that day.

IV. PROCEDURE FOR RETURNING TO SCHOOL AFTER ABSENCE

A. Upon returning to school after an absence for any reason, the student must have a written note signed by a parent or legal guardian stating the reason for the student's absence even when the parent accompanies the student back to school.

B. The student will be issued an excused or unexcused class admittance slip. This slip must be presented to the student's homeroom teacher.

C. If a student does not bring a note stating the reason for being absent, the attendance record will reflect an unexcused absence.

D. A parent has up to ten days to send or bring a note to the office explaining the absence of their child. After the ten-day grace period expires, the unexcused absence will remain as such.

V. MONITORING OF ATTENDANCE

Because attendance in school is vital for educational success, student absences will be monitored on a daily basis. As required by law, the following monitoring system will be used:

A. All absences will be recorded by the classroom teacher;

B. Parents will be notified of a student's absence by telephone on a daily basis when communication by telephone is available.

C. After a student has accumulated five (5) unexcused absences, the attendance counselor will make a home visit.

D. When a student accumulates 10 absences (excused or unexcused) a letter for notification of excessive absences will be sent to the parents, with a copy remaining in the student's cumulative record.

E. Once a student has exceeded 20 absences they will be withdrawn from the Winona School District.

VI. TARDIES

A. A student is tardy for school if he/she arrives at school after the tardy bell has rung. Students must get a tardy slip from the school office to get into class when late to school.

B. Upon the 4th tardy and all subsequent tardies in a semester, the parent or guardian must check-in with an administrator when the child is brought to school. Failure to check in with an administrator will result in the child's placement in In School Detention.

C. Upon the 5th tardy in a semester, the school attendance officer will be contacted.

D. After a student has been tardy five (5) times, the student will spend one full day in ISD for each day tardy.

E. Five (5) unexcused tardies will be counted as one (1) unexcused absence.

F. Once a student has received 8 tardies, the parents will be required to show proof of residency.

G. The principal retains the authority to excuse tardies in such instances such as:

- a. Students involved in accidents
- b. Medical reasons
- c. Personal knowledge of situations

VII. LEAVING CAMPUS DURING THE SCHOOL DAY

A. Any student who leaves school during the school day must be picked up in the office.

B. Either a parent, guardian or an adult listed on the child's check-out form must come to the school to pick up the child or make personal arrangements with the principal the day before the absence is to occur.

C. Upon the 4th checkout in a semester and all subsequent checkouts, the parent must meet with an administrator prior to the child being released.

D. Upon the 5th checkout in a semester, the school attendance officer will be contacted.

E. If the student returns to school during the day, he/she must return to the principal's office and sign in.

F. In order to count as present for the school day, a student must attend school for a minimum of 63% of the school day.

VIII. LEAVING SCHOOL AFTER THE SCHOOL DAY

A. Any student who leaves school after the school day must go home as specified by the parent or guardian at the beginning of the school year.

B. If a student needs to leave school a different way, a parent or guardian must send a signed note with whom the child needs to leave.

C. If a student needs to leave a different way due to circumstances that occur within the school day, the parent or guardian must call the principal's office stating how the child needs to leave by 2:30 p.m.

IX. FIELD TRIPS

Field trips help to provide a well-rounded educational experience for students. They are planned to meet educational objectives and/or to celebrate educational achievements.

Because participation in field trips is considered a privilege rather than a right, Winona Public School has established guidelines which students must follow in order to participate in field trips.

A. All students must conduct themselves as they would during regular school hours and are subject to the same code of conduct and punishment while on field trips as they are while at school.

- B. Students must submit a parent permission form with a signed release statement in order to participate in any field trip.
- C. A student's disciplinary and academic record may prohibit participation in school-sponsored field trips. Students with a conduct grade of D or below (U for Kindergarten) will NOT be permitted to go on a field trip.
- D. Any student wishing to go on or return from a field trip by any means other than a school sponsored vehicle will be required to have a parent or guardian turn in a written request to the field trip sponsor no later than one day in advance of the field trip. **NO VERBAL REQUEST WILL BE ACCEPTED.** All written requests will be kept on file for one (1) year.
- E. If a field trip requiring a student fee is canceled and cannot be rescheduled, the student fee is non-refundable.
- F. The school will provide a place for these students to remain in school on campus. If they choose not to go on the Field Trip and stay at home; the absence will be counted as unexcused.

Easter – Only Grades K-2 will have an Easter Party and/or Egg Hunt.

Private Parties – Invitations to private parties will not be distributed at school.

BEHAVIOR AT SCHOOL SPONSORED FUNCTIONS

School sponsored functions include any event connected with the Winona Public School. Because students who attend Winona Public Schools are representatives of the school in the community and state, all students must conduct themselves at all school-sponsored events just as they would during regular school hours.

Students are subject to the same code of conduct and punishment at these events as they are at school.

USE OF TELEPHONE

Telephones are installed in the school for official business purposes. Students may not use phones without a note

from the teacher or school official. Parents are encouraged not to call the school to speak to pupils or to leave messages. Parents or guardians desiring to speak with a teacher are to call the school office and leave a message for the teacher to return the call; they will return the call at a time not assigned for teaching. The school phone number is 283-4129.

SCHOOL AND/ OR PERSONAL PROPERTY

I. CARE OF SCHOOL PROPERTY/VANDALISM

Because the Winona Elementary School is public property and belongs to the City School District, the local school board is charged with the responsibility of maintaining and protecting the school property. Although the property is public property, this does not give any student the right to destroy any of the property. According to the Mississippi Code (37-11-19), "If any student shall willfully destroy, cut, deface, damage, or injure any school building, equipment, or other school property, he/she shall be liable to suspension or expulsion and his parents or persons in loco parents shall be liable for all damages." Anyone who willfully destroys school property valued at \$100.00 or more will be suspended from school for the remainder of the school year and will be made to pay for the damaged property before being allowed to return to school for the next school term. If any school property is destroyed and is valued less than \$100.00, the student will pay for the damages, be suspended from school for an indefinite period of time, and may not return to school until the damaged property is paid for.

School officials are authorized to sign a criminal complaint and to press charges against those persons who vandalize school property. Should the need arise and the district feels that additional property protection is necessary, the school district reserves the right to install site surveillance cameras on any property controlled by the Winona School District. This includes classrooms, hallways, cafeterias, restrooms, buses, field house, gymnasium, etc. Students in past years have cooperated with school officials to keep our school looking well cared for. Administrators and teachers alike thank the students for their concern and help in keeping our school looking good and request that the student body continue in this same spirit of cooperation.

II. PERSONAL PROPERTY

Any student who destroys the personal property of any one (accidentally or intentionally) will be required to replace or reimburse the person the value of the object destroyed.

VISITORS

Students are not allowed to bring visitors to school without first securing permission from the principal. Should students notice unusual visitors on the campus, they should report the stranger to

the office immediately. However, if there are visitors who need help in locating the office, students are asked to direct these visitors to the office in a cordial manner.

TRANSPORTATION

Mississippi Code (37-41-3) states that persons of legal school age attending a public school and who live one (1) mile or more from the school are entitled to free transportation to and from school. Along with the privileges of free transportation come personal responsibilities on the part of those students riding the buses:

- I. Students must conduct themselves properly while riding the bus or forfeit the privilege of free state transportation.
- II. There will be no food, drinks, chewing gum, tobacco, or illegal drugs permitted on the school bus.
- III. The driver of the bus must give his undivided attention to the safety of all the students on the bus; therefore, if the driver has to be driver and disciplinarian at the same time, the safety of the students is at risk. Therefore, students are required by law to maintain an orderly form of discipline while on the school bus.
- IV. The driver is responsible to the school district to maintain order and ensure maximum safety at all times; therefore, he is authorized to instruct students as to proper conduct and safety while they are on the bus as well as maintaining control of students.
- V. Should a discipline problem arise on the bus, the driver must report the incident to the principal who will discipline the student as stated below. A parent will be notified of disciplinary action.

1st Offense - Three day suspension and parent/guardian must attend conference with principal.

2nd Offense - Ten day suspension and parent/guardian must attend conference with principal.

3rd Offense - 30 day suspension and parent/guardian must attend conference with principal.

4th Offense - Student will not be allowed to ride bus for the remainder of school year.

- VI. **After the 1st offense there will be no other warnings. Punishment will be delivered according the severity of the situation.**

LOADING AND UNLOADING

- A. Exercise extreme caution in getting to and from your assigned bus stop
- B. Look in both directions before stepping from behind parked cars.

- C. Stay well off the roadway until the bus comes to a complete stop and the bus driver indicates that it is safe to board.
- D. Do not play on or near the road while waiting for the bus to arrive.
- E. Never walk on the road when there is a sidewalk or pathway.
- F. Always walk on the left side of the road facing oncoming traffic and step off the road when a motor vehicle approaches.
- G. Wait until the bus comes to a complete stop before trying to load or unload.
- H. Use the handrail while getting on and off the bus.
- I. When you must cross the road to enter the bus, or after leaving the bus, always cross in front of the bus.

WHILE IN THE BUS

3. Keep head, hands and anything in your possession inside the bus.
4. Do not bring unauthorized articles on the bus. (i.e., pets, combustibles, large articles, weapons)
5. Do not smoke or use profane language.
6. Do not fight or scuffle.
7. Be courteous to and follow the instructions of your bus driver and honor patrol.
8. Do not wear caps or head gear while on the bus.

PARENTS: TEACH STUDENTS TO BE ON THE ALERT FOR ALL DANGERS, AND EXPLAIN THE POSSIBLE CONSEQUENCES FOR NOT OBEYING THE ABOVE RULES. RIDING THE SCHOOL BUS IS A PRIVILEGE. THIS PRIVILEGE CAN BE DENIED PUPILS BY SUSPENDING THEM FROM THE BUS FOR IMPROPER CONDUCT.

During the school year, any and all children that ride school buses in the Winona Public School District will be picked up and dropped off only at the address listed on the bus permission form. Due to bus overload, other accommodations cannot be accepted. School bus permission forms must be returned within (10) ten days from the beginning of school to avoid a child being removed from the bus. If there is a change of residence at anytime during the school year or if there is a new enrollee, a new bus permission request form must be completed and two (2) proofs of residence attached. The bus permission request form and the (2) two proofs of residence must be brought by the parents to the Winona Public Schools Transportation Department at 204 N. Front Street, before the child can be delivered to the new address.

WALKERS AND CAR RIDERS

1. The students who walk to school in the back of the school buildings must go down to the crossing guard. Walking students at the back of the building are to cross at no other place than at the crossing guard's position. Students are to cross only when the crossing guard tells them. Students who walk to school in the front of the building are to always go to the crossing guard before crossing Highway 51, both coming to school and going home.
2. At the back of the building the crossing guard will stay at the stop sign as much as possible, and cars will go to this sign before stopping. Cars will be in 2 lines in the loading area. This means that no car is to stop before it gets to the stop sign if there is room for them to get to this sign before letting students out or picking them up.
3. If a car is in the line of traffic and your child is not there to be picked up after a reasonable period of time, we are asking that you not keep the traffic held up, but to drive your car to the crossing guard who will direct you into the drive for you to wait until your child gets to you. Doing this will help keep the traffic moving.
4. In the afternoons all students who ride home in cars will be dismissed at 2:55 to go to the back of the school. The car riders will go to their assigned areas. All cars come to the stop sign in two lines, or as near the stop sign as possible. When all cars are stopped the car loader will signal for the students to be loaded. When all cars have been loaded the crossing guard will allow these cars to move and additional cars will be loaded. This process will be repeated until all children are gone. No student will be allowed to get in a car except at the loading area in the rear of the school. **NO STUDENT IS TO ENTER A CAR THAT IS BEYOND THE RED LINE PAINTED ON THE DRIVEWAY.**
5. All students who walk will be dismissed after all the buses have cleared the front circle. The crossing guard will be on duty at the back and walking students who walk at the back will report to the crossing guard before crossing the traffic. The students who walk at the front of the school will follow the procedure of going to the crossing guard before crossing Highway 51. These students are to walk on the sidewalk and not along the side of the highway.
6. At 2:55 all students who ride the school bus will be dismissed and report to the circle drive at the front of the school to load the bus. Students not riding the first load will remain in their pods.
7. Students who have parents that pick them up late are to go to the office lobby and wait for their parents. Parents, when you come to pick these students up please park your car out of the flow of traffic and come to the office lobby to pick up your child.
8. **If your child is a car rider, do not report to school prior to 2:30 and stay in or near your car.**
9. **Children are not to be picked up along either highway or in the North parking lot. Anyone not**

cooperating in this matter will be reported to the police.

CAFETERIA

Students may pay the cashier each day as they receive their meal or pay for the week on Mondays. Students paying for their meals in advance will be given an envelope in which to put their money. The name of the student, name of the homeroom teacher, amount enclosed (correct change) and the days being paid for shall be clearly marked on the front of the envelope. The envelope will be given to the homeroom teacher. The cashier will go to each pod on Monday morning to collect advance money. Advance payment will be accepted on Tuesday only when school has been closed on Monday.

Students who lose or forget their money are to make arrangements with the school office to call their parent to bring them lunch money before their assigned lunch time. It is suggested that parents send enough money to cover one day's meal in case a student forgets his/her money. The office does not lend money for breakfast. Therefore, if your student eats breakfast and lunch, send enough money to cover both meals in the event that your child forgets his money.

Parents who wish to apply for free/reduced meals for their children may do so by completing an application for each child and returning it to the school. The approval process will take 10 days to complete. Any student who did not receive free/reduced meals last year will pay for meals for the first 10 days of school. It will be assumed that a child can drink milk unless the school is given a note, signed by a doctor, stating the medical reasons why the child cannot drink milk. **NO SOFT DRINKS ARE ALLOWED.** No food is to be carried out of the cafeteria

Due to the limited amount of time students have in the cafeteria, parents are asked to not send any items that the students cannot fix for themselves. If food needs to be heated in the microwave, be sure your child is old enough to use the microwave and will have enough time to eat after he/she puts the lunch together.

BREAKFAST

All students arriving between 7:00 and 7:30 are to go to their assigned pods. Teachers on duty will send students to the cafeteria to eat breakfast. The last call for breakfast is 7:35.

LUNCH

All students must go to the lunchroom with his/her class at the time the class is designated to be in the lunchroom. Students are to remain seated in the cafeteria until dismissed by their teachers.

LIBRARY

Pupils may check out library books as needed. They are encouraged to take books home for pleasure reading. Students will pay the replacement cost of any book that is not returned.

MOVIES/VIDEOS

Only "G" rated movies or videos will be shown in Grades K – 6. If another video would like to be viewed it must be approved by the video committee.

Special events will be planned for Honor Patrol members throughout the school year. Additionally, students serving on Honor Patrol will receive special recognition

HONOR PATROL

Purpose:

The purpose of the WES Honor Patrol is to promote those students in sixth grade who have exhibited worthy character, good mentality, creditable achievement, and commendable attitude.

Goal: To help these students develop the leadership and interpersonal skills needed to become productive citizens and to serve as role models for others.

Selection:

1. The first nine weeks teachers in grade 5 will nominate candidates from the entire grade. They will vote on the students who exhibit those characteristics stated in the purpose. Sixteen students from the list of nominees from 5th grade will be selected to serve for the first nine-week period of their 6th grade year. The process will be repeated each 9 weeks beginning with the second nine weeks. After the first nine weeks, the 6th grade teachers will make the honor patrol nominations from the entire 6th grade class.
2. A ballot will be made containing a list of all the students from the grade.
3. After 16 students have been selected, these students will be informed of the expectations of an Honor Patrol member and given the opportunity to choose to serve for a 9-week period. At this point parents will be informed of their child's choice and asked for their permission for their child to serve.
4. Length of service will be for 9 weeks unless a student fails to continue to exhibit those characteristics stated in the purpose.

Duties:

Some of the responsibilities of Honor Patrol members will be to serve as monitors, to sell school supplies, to serve as ambassadors when visitors are present, to raise and lower the flag, and to serve in other capacities upon teacher or administrative request.

Removal from Honor Patrol:

Any student receiving an office referral will not be eligible to serve on the Honor Patrol during the present school year. Any student that is serving on Honor Patrol and receives an office referral will be immediately dismissed from service and will not be eligible for the remainder of the school year.

Bullying

The Winona School District does not condone and will not tolerate bullying or harassing behavior. Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior. Bullying or harassing behavior will not be condoned or tolerated when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as a whole.

The Winona School District will make every reasonable effort to ensure that no student or school employee is subjected to bullying or harassing behavior by other school employees or students. Likewise, the District will make every reasonable effort to ensure that no person engages in any act of reprisal or retaliation against a victim, witness or a person with reliable information about an act of bullying or harassing behavior. The District encourages anyone who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior to report the incident to the appropriate school official.

The Winona School District Board of Trustees directs the superintendent or designee to design and implement procedures for reporting, investigating, and addressing bullying and harassing behaviors. The procedures should be appropriately placed in District personnel policy handbooks, school handbooks that include discipline policies and procedures, and any other policy or procedure that deals with student or employee behavior. The discipline policies and procedures must recognize the fundamental right of every student to take "reasonable actions" as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing. Furthermore, the Winona School District defines "reasonable action" as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior.

Student Complaints of Bullying or Harassing Behavior

Students and employees in the Winona School District are protected from bullying or harassing behavior by other students or employees. It is the intent of the Board and the administration to maintain an environment free from bullying and harassing behavior. This complaint procedure provides a process for filing, processing and resolving complaints of such conduct. Adherence to these procedures is mandatory. The failure of any person to follow these procedures will constitute a waiver of the right to pursue a complaint at any level, including review by the Board.

I. Definition

Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits.

A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior.

Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school-sponsored function, or on a school bus, or when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as a whole.

II. Procedures for Processing a Complaint

Any student, school employee or volunteer who feels he/she has been a victim of bullying or harassing behavior, or has witnessed or who has reliable information that a student, school employee or volunteer has been subject to bullying or harassing behavior shall report such conduct to a teacher, principal, counselor or other school official. The report shall be made promptly but not later than five

(5) calendar days after the alleged act or acts have occurred. The school official shall complete a "Bullying/Harassing Behavior" complaint form which shall include the name of the reporting person, the specific nature and date of the misconduct, the names of the victim of the misconduct, the names of any witnesses and any other information that would assist in the investigation of the complaint. The report shall be given promptly to the principal or superintendent who shall institute an immediate investigation. Complaints against the principal shall be made to the superintendent and complaints against the superintendent shall be made to the Board chairman.

The complaint shall be investigated promptly. At the conclusion of the investigation, if deemed appropriate by the investigating District official, parents will be notified of the nature of the complaint involving their student. The District official will arrange a meeting as may be necessary with all concerned parties within five (5) working days after initial receipt of the complaint by the District. The parties will have an opportunity to submit evidence and a list of witnesses. All findings related to the complaint will be reduced to writing. The District official conducting the investigation shall notify the victim and parents as appropriate when the investigation is completed and a decision regarding disciplinary action, as warranted, is determined.

If the victim is not satisfied with the decision of the District official, he/she may submit a written appeal to the superintendent. Such appeal shall be filed within ten (10) working days after receipt of the results of the initial decision. The superintendent will arrange such meetings with the victim and other affected parties as deemed necessary to discuss the appeal. The superintendent shall provide a written decision to the victim's appeal within ten (10) working days.

If the victim is not satisfied with the decision of the superintendent, a written appeal may be filed with the Board. Such appeal shall be filed within ten (10) working days after receipt of the decision of the superintendent. The Board shall, on or before the next regularly scheduled meeting of the Winona School District Board of Trustees, allow the victim and parents as appropriate to appear before the Board to present reasons for dissatisfaction with the decision of the superintendent. The Board shall provide a written decision within ten (10) working days following the victim's appearance before the Board.

When it has been determined that a student or group of students have been involved in bullying or harassing a student or group of students as defined by the Winona School District Student Bullying Policy the following steps will be taken:

A. On the first occurrence of such bullying or harassing behavior a parent conference will be held and/or a three day out-of-school suspension will be administered to the student or students.

B. A student or group of students involved in a second bullying or harassing incident will be suspended for five (5) days and a parent must come to the school to get the student back in school. The parent will be made aware of the consequences should a third act of bullying or harassing behavior occur.
