Annual Christmas Tree Sale

Fred the Tree Man is back with his usual huge selection of beautiful fresh grown Fraser Fir Christmas trees! These trees have been hand-selected at a Vermont tree farm to assure you will find a tree of your choice if you shop early!

Fraser Firs have become the Christmas trees of choice by people that want that "perfect tree" - rich bluish-green needles, a wonderful aroma, and strong branches to hold ornaments well. With sizes 5 - 12 feet to choose from, these Fraser Firs are the longest lasting of all natural trees cut for the season!
