

PEARL RIVER
SCHOOL DISTRICT

Re-Opening of School Planning Committees

July 1, 2020

Dear Pearl River School District Community,

Thank you to all who expressed interest in participating in the re-opening school planning committees.

The District has received a strong response from our school community. The survey remained opened for over a week and as of today, July 1 it is closed. The chairpersons of each subcommittee will begin contacting members and scheduling initial meetings in the next few days. We will update the community as the planning process progresses.

We have created an email, PRSDRe-Opening@pearlriver.org, where individuals who are not serving on a committee can send input and questions regarding the re-opening of school. We will periodically post and answer them.

Sincerely,

Dr. Marco F. Pochintesta
