

A FREE WORKSHOP FOR PARENTS

Parents & Teachers as Allies

Understanding your Child's IEP, the CSE Process and Learning How to Create a Team of Support to Assist Your Child.

Speaker: Denise Green

Parent Training Coordinator
Parent Training and Information Center
Westchester Independent Living Center
and Putnam Independent Living Services

ABOUT THE WORKSHOP:

The special education process can be confusing. Join us to learn how to understand an Individualized Education Plan (IEP), the CSE process and how parents can best advocate for their child to get supports that may help them better participate in their education.

Learn from an experienced educational advocate and have your questions answered.

We will discuss the types of evaluations that can be done by the school district, which evaluations you may want to have done in the community and what they all mean.

Additional topics:

- How to prepare for a CSE Meeting
- What supports and accommodations might help your child.
- Knowing your child's rights
- Learn about other community supports available!
