

Rockland County Services

The Mental Health Association of Westchester

Help happens here.

Treatment and Support Services

- + We offer a full range of clinical services in professional, confidential and comfortable settings, as well as mobile services.
- + Our person-centered care is integrated and flexible.
- + We serve children, adolescents, adults and families through individual, family and group therapy.
- + Our services include psychotherapy, medication management, Medication Assisted Treatment for substance use disorders, crisis intervention, care coordination and play therapy. *Services offered vary by location.*

About Us

- + Our staff includes psychiatrists, licensed social workers and nurse practitioners.
- + We are trained in a variety of therapeutic approaches and use evidence-based practices.
- + Our mission is to promote mental health through advocacy, community education and direct services.
- + All MHA clinics are licensed by the New York State Office of Mental Health.

Contact Us
