

# Rockland County 4-H Youth for Climate Action

Are you a high school student concerned about climate change?  
Do you want to make a meaningful difference here in Rockland County?

**Join the Rockland County 4-H Youth for Climate Action, where you can enhance your knowledge of the issues, develop leadership skills, and work with your peers to address climate change.**

## Through this program, participants will:

- Explore climate change issues on a global and local scale through demonstrations, talks and community science projects
- Visit local sites including a solar field, reservoir, creeks, piers, and more!
- Design, create, and implement a service project centered on climate change
- Connect with peers and community leaders
