**Monday, February 18th
1:00 p.m.**

How is it that deer, wood frogs, or even praying mantis survive the winter? Come to Fort Montgomery State Historic Site and discover how our backyard neighbors endure the winter with no clothing, grocery stores, or furnaces! Program will involve a nature trek, searching for tracks and sign, hands-on furs, and games. This **FREE** family-friendly program is suited for children 8 and up.
