

Pearl River School District

Kindergarten Registration & Screening for 2018-2019

The Pearl River School District will hold a **registration and screening** for incoming kindergartners for September 2018 during school hours on the following four (4) days:

**Tuesday, March 6th, Wednesday, March 7th,
Wednesday, March 14th, & Thursday, March 15th**

Beginning Wednesday, February 14, 2018, parents should contact any of the three elementary schools to make an appointment *for you and your child*. All actual appointments, however, will be held during school hours at the Pearl River School District administration office at 135 West Crooked Hill Road, as it streamlines registration and screening for our families.

Children must be five years old on or before December 1, 2018 to be eligible for admission to kindergarten in September 2018. A birth certificate with raised seal or other official documentation providing date of birth, a record of immunizations, and two (2) proofs of residence within the Pearl River School District are required at registration. Specific information regarding documents needed for registration can be found on the district website (www.pearlriver.org) under *District News*.

In order to plan and provide for all new students, it is especially important that the district identify all children expected to enroll in September. All universal pre-school students need to be registered and screened. If your child is already registered (CPSE), please contact Mrs. Leone at 620-3913 to make sure your information is up-to-date. If you would like to have your CPSE child participate in the screening process, you may do so. Pearl River's three elementary schools - Evans Park, Franklin Avenue, and Lincoln Avenue - accommodate students in grades kindergarten through four. Enrollment is assigned across all three schools. While geographic boundaries serve as a general guideline, school assignment will depend on class size and special education and ENL programming. Families will be notified regarding building assignment in the summer.

For additional information or to schedule an appointment, please contact any one of the elementary schools during the hours of 9:00AM - 4:00PM on school days to ensure someone is available to take your call: Evans Park Elementary School at 620-3950, Franklin Avenue Elementary School at 620-3965, or Lincoln Avenue Elementary School at 620-3850.
