Community Outreach Coordinator

NAMI Ending the Silence is designed to give audience members an opportunity to learn about mental illness through an information Power Point and short videos. During this parent presentation, we discuss warning signs and how to find resources for your child if you are concerned about an emotional or behavior challenge they are experiencing.

NAMI, the National Alliance on Mental Illness, is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. NAMI Rockland is an affiliate of NAMI NYS. NAMI Rockland and dedicated volunteer members and leaders work tirelessly to raise awareness and provide essential education, advocacy and support group programs for people in our community living with mental illness and their loved ones.

NAMI Ending the Silence is for everyone – parents and guardians, educators, school staff and administrators, and community partners.
