Dear Pearl River School Community,

As we prepare for the start of the school year we have some information that we would like to share. Children's Corner has decided not to continue leasing space from us for AM and PM childcare. They are increasing their space at Blue Hill and will be able to provide childcare for parents, including for children who are on remote learning days. You can contact [Children's Corner](#) directly for pricing. Additionally, [Childcare Resources of Rockland](#) provides assistance in finding childcare in the county.

We will not be having a fall session of our Adult Enrichment Program this year. We will see how things progress this winter with COVID-19 before making a decision on the spring session of Adult Enrichment.

Due to the uncertainty of any of our planned events, we will not be printing a 20-21 school calendar. The online calendar has the most accurate information regarding school events and activities. You can subscribe to any of the online calendars and it will automatically synch to your phone: [Directions for subscribing to calendars](#). We will PDF the information portion of the school calendar and send that out to families.

Sincerely,

Diana Musich
