Marco F. Pochintesta, Ed.D.
Superintendent of Schools

October 9, 2020

Dear PRHS School Community,

We were informed today that a PRHS student tested positive for COVID-19. We are in the process of contacting the parents of all students and staff that may have been exposed on Monday, October 5th or Tuesday, October 6th in the classroom or on the school bus, and have contacted the Rockland County Department of Health (RCDOH). We are working cooperatively with the RCDOH to provide them with contact information for those who may have been exposed.

Those determined by the RC DOH to have been exposed will be required to quarantine for 14 days from the last date of exposure. [RC Quarantine and Isolation](#)

Due to the number of students and staff that will be quarantining, Pearl River High School will move to our Remote Learning Model starting Tuesday, October 13th through Tuesday, October 20th for all PRHS students. All HS sports are cancelled effective immediately through Monday, October 12th, at which time a further determination will be made. It is anticipated that in-person instruction will resume on Thursday, October 22nd.

Our learning plans have been designed to allow all students to participate in remote instruction with little to no interruption to their learning.

I know you join me in wishing the student a speedy and complete recovery.

Sincerely,

Dr. Marco Pochintesta
Superintendent of Schools
