Marco F. Pochintesta, Ed.D.
Superintendent of Schools

November 12, 2020

Dear Pearl River School Community,

Last night we learned of a student testing positive for COVID-19 at Lincoln Avenue School. After consultation with the Rockland County Department of Health, it was determined that no further action is needed at Lincoln Avenue School as the student was not in school during the infectious period.

Parents are reminded that [COVID-19 symptoms](#) can appear up to 14 days after an exposure to the virus. Anyone with a fever of 100 degrees or more, or any symptom of COVID-19 must remain home, and parents should contact their health care provider and school nurse.

We will continue to keep our school community informed regarding how this virus is impacting our schools.

I know you join me in wishing the student a speedy and complete recovery.

Sincerely,
