Marco F. Pochintesta, Ed.D.
Superintendent of Schools

October 22, 2020

Dear Pearl River School Community,

Last night we learned of another student testing positive for COVID-19 at Franklin Avenue Elementary School. The student has been at home under quarantine due to an exposure to COVID-19 earlier this month, therefore, no further action is needed at Franklin Ave Elementary School as a result of this case. We send our best wishes to this student for a complete and speedy recovery

Parents are reminded that [COVID-19 symptoms](#) can appear up to 14 days after an exposure to the virus. Anyone with a fever of 100 degrees or more, or any symptom of COVID-19, must remain home and parents should contact their health care provider and school nurse.

I would like to thank the Pearl River School District families, faculty and staff for their continued cooperation and support during this pandemic. We will continue to keep our school community informed regarding how this virus is impacting our schools.

Sincerely,
