

Pearl River Code of Conduct – Dignity for All Students Act (DASA) Summary

The Pearl River School District is committed to maintaining high standards of education for our students. In addition, the District and Board of Education is committed to providing an educational environment that promotes respect, dignity and equality in accordance with the *Dignity for All Students Act (DASA)*, and creates and maintains high behavioral standards and expectations.

All students have the right and responsibility to attend and participate in school regularly, be respectful and considerate of others and follow the Code of Conduct in school buildings, on school grounds, on school buses, field trips, and at all other school functions and events. Students are expected to treat others as they would like to be treated. All students have the right to feel safe at school, to grow and learn without worry or fear of physical or emotional harm.

To that end, the administrators, faculty, staff and students will participate in activities designed to support school climates of caring and respect, and to proactively prevent discrimination, harassment, and bullying, including cyberbullying. These developmentally appropriate activities are designed to foster an acceptance and understanding of differences, provide alternative behaviors and responses, and build the capacity to prevent and reduce bullying.

All students have the responsibility to treat each other with caring and respect. No student shall be treated differently or unfairly because of actual and/or perceived differences. This includes saying hurtful words and/or doing hurtful things either in person, on a computer, or in any other way. Students who feel uncomfortable and/or unsafe because of the words or actions of others should immediately speak with a teacher, administrator, coach, or other adult.

The Pearl River School District Code of Conduct, in accordance with DASA, specifically prohibits, discrimination, harassment, bullying, taunting, hurtful teasing, and cyberbullying, that negatively impacts the ability of a student to focus on school work and participate in school activities based on the following characteristics:
