Marco F. Pochintesta, Ed.D.
Superintendent of Schools

November 6, 2020

Dear Pearl River School Community,

We were informed today that three students tested positive for COVID-19: one student from PRHS, one student from PRMS and one student from Evans Park. After consultation with the Rockland County Department of Health (RCDOH), it was determined that no further action is needed in our schools as these students have not been in school since November 3rd.

We ask parents to continue to be diligent in checking their child's temperature and checking for any symptoms of COVID-19 before sending their children to school. Students with a fever of 100 degrees or more, or any [symptom of COVID-19](#) must remain home, and parents should contact their health care provider and school nurse.

We will continue to keep our school community informed regarding how this virus is impacting our schools.

I know you join me in wishing these students a quick and complete recovery.

Sincerely,

Dr. Marco Pochintesta
