

TOPICS

Heartsaver CPR & AED

This course teaches skills with the AHA's research proven practice while watching technique, which allows instructors to observe the students, provide feedback, and guide the students' learning of skills.

EMT

Meet local EMTs and learn the importance of their role in health care. Explore the ambulance and become familiar with the equipment and tools inside. Students will participate in a mock rescue call too!

Lab Tech

Encounter hands-on learning with a lab tech which will include a swab and grow activity.

Physical Therapy

Meet physical therapist and discover how they help reduce pain and restore mobility.

This opportunity is provided through the collaborative efforts of the:
**Northern New York AHEC
&
Franklin-Essex-Hamilton BOCES**

New York AHEC

Learn and LiveSM

2018 Camp Med

If you enjoy math and science and may be interested in health care, we would like to invite you to come and have fun while exploring various hospital occupations and becoming certified in

AHA Heart Saver CPR & AED.

We will introduce you to the field of health care! Areas and topics discovered during the camp will include nutrition, lab tech, EMT awareness and different fields of therapy.

***Guardians are responsible for the transportation and attendance of the students**

Application Deadline: May 1, 2018

Application forms can be obtained through your Middle School Guidance Counselor. Please return the completed application to the Franklin-Essex-Hamilton BOCES to the attention of Rhonda Shorette-Peets, 23 Huskie Lane, Malone, NY 12953. The application form should be returned by **May 1, 2018**. Please feel free to call Rhonda Shorette-Peets at (518) 483-5230 with any questions or concerns.
