

LLCS Minutes

Team Name: Shared Decision Making

DATE: April 11, 2017

FACILITATOR: Christine Campeau

RECORDER: Vickie Snide

DISCUSSION HIGHLIGHTS:

-The Shared Decision Making Plan for LLCS was handed out. Everyone is to review and bring their comments back to the next meeting. The rules for the plan are under nysed.gov Part 100.11

-NYSSED's twitter page for Commissioner Elia has pictures, etc. of her visit to LLCS.

-Adult Education was discussed.

-V. Snide to look at what is budgeted for 2017-18 school year.

-K. Delehanty is no longer interested in holding an exercise class.

-K. Delehanty spoke to Louisa Wright for a possible art class.

-Various people were discussed for the lecture series - called Locals going Global: Tom & Jane Bissell (visited Egypt 3 times); John & Lorrie Hosley (visited Dubai); Fran & Gordon Fisher (Africa); Bob Gibson; Erin Barton (Kenya); Anna Pratt (France); Rick Knox (Hungary); Kenwyn Smith (China/India); Bob & Teresa Tice (Italy).

-For the local history possible lectures by: Dick Farr; Jim McIntyre and Ruth Howe; Vickie & Alex Sandiford relaying Abbie Verner stories; Richard Dechene; Jimmy Cooney; John & Joyce Rayome; Eva Lamoy. These people could also be combined for an event.

-C. Campeau will speak with Tom Bissell to make sure we are not duplicating with the Adk. Historical Society may be doing.

-Perhaps the Town Parks & Rec could help with flyers for events with both our names on it.

-Thoughts were to start in November 2017, skip December, then run January through April 2018. If we do one in the summer it should be July 2018 if it works with the custodians cleaning schedule.

-Would still like to have some kind of adult ed exercise class/sport.

-N. Curtin has not spoken to Karmen Howe yet to see if she would like to be a student member.
