Special Education*

July 21, 2020

Dear Steger School District 194 Families,

Thank you to our families that have completed the initial SD 194 family survey. SD 194 has reviewed your responses to this initial survey and is seeking additional information to help plan for the 2020-2021 school year. We are asking that you please complete an additional brief survey for each student that attends SD 194 by July 26, 2020. The link for this additional survey is located on the SD 194 website and our Facebook page, or you can go directly to this additional survey, using the following links:

Survey in English: https://www.surveymonkey.com/r/District_194_Family_Survey

Survey in Spanish: https://es.surveymonkey.com/r/District_194_Family_Survey-Spanish

As we plan for the 2020-2021 school year, SD 194 will adhere to the Illinois State Board of Education and Illinois Department of Public Health requirements. Additionally, we recognize that some requirements will pose unique challenges for both our families and our schools.

Thank you for your patience and support!

Steger School District 194

To ensure all students, staff, and stakeholders learn and grow together as a community
