

SD 194

Summer Learning Information

Steger School District 194 is committed to ensuring that learning continues for all students during the summer months. We are excited to launch our summer learning opportunities for students entering 1st - 8th grade.

Students are being asked to read the selected books along with their teachers and classmates and complete the provided activities. Students will also have access to the online IXL program to practice Math and English/Language Arts skills while at home over the summer.

This summer, students will be participating in a Summer Reading program along with their teachers and classmates to encourage all of our students to continue learning during the summer months. Books will be provided to students entering grades 1 - 8 along with a learning packet of activities related to the story.

Parents are invited to pick up the books and packets between 9 - 11 am on the following dates at the school your child attended during the 2019-2020 school year:

**Wednesday, June 3
Thursday, June 4
Tuesday, June 9
Thursday, June 11
Tuesday, June 16
Thursday, June 18
Tuesday, June 23
Thursday, June 25**

The information and packets can also be found on the SD194 website at www.sd194.org

SD194 students will also have access to the online learning program IXL. With thousands of skills that match what is being taught in our classrooms, this is a great resource to help your child continue to learn this summer. Log-in information for IXL will be provided by your child's teacher prior to the end of the school year. You can visit their website at <https://www.ixl.com/signin/steger> or you can access the program by visiting our district website and finding the link under the "Parent Resources" tab found at the top of the page. If you are in need of any technical support while using the program, please send an e-mail to mclark@sd194.org with your child's name and the best way to reach you.
