March 16, 2020

Dear Steger School District 194 Community:

The SD 194 employee (the night-time custodian at Steger Intermediate Center) and a family member have visited with University of Chicago medical professionals. Both have been cleared, and have been informed they may resume normal daily activities with no restrictions as of March 16, 2020.

Thank you for your patience and understanding during these unprecedented times. The closure on March 16, 2020 was out of an abundance of caution out of care for our students, staff and community. As a district, we will always err on the side of caution to ensure safety.

Please follow us on Facebook and visit our website for the most recent updates during our closure.

Sincerely,

Dr. David T. Frusher  
Superintendent of Schools
