

How to Filter Menu Options

The Shamong District App allows users to filter the Live Feed, News, and Staff Directory by categories. Directions are listed below.

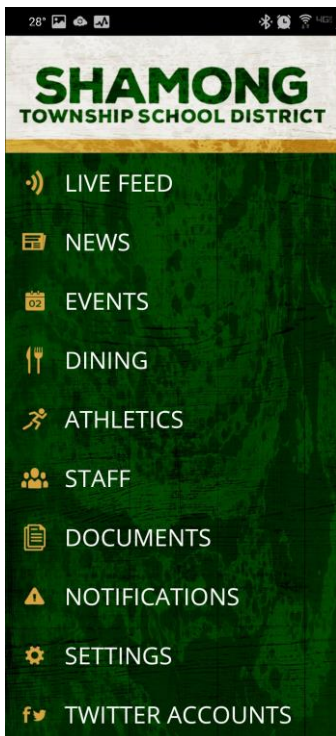

1. Open the Shamong District App

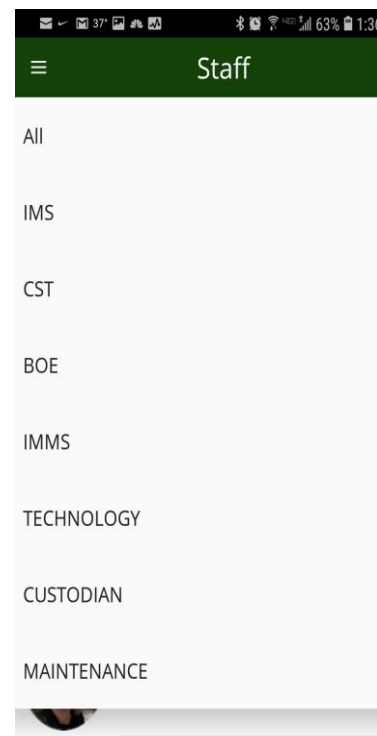

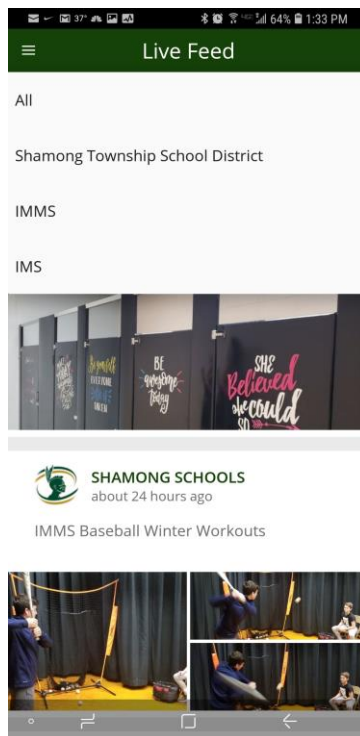

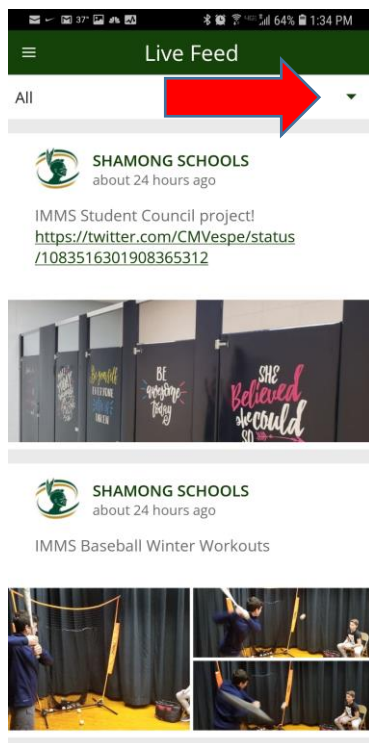

2. Click on the menu button on top left of screen

3. Click on Live Feed, News, or Staff

4. Click on the drop down on top right of screen and then select the feed you want to see. Notice that the staff drop down has more options

5. Repeat the same steps to change filter back to original settings.
