

INTRODUCING:

PaySchools Central

Dear Parents,

Starting **March 1, 2018**, we will offer PaySchools Central as a resource for parents of students in our district. PaySchools Central is a secure payment system which simplifies school payments in an easy-to-use online portal. It enables parents to fund lunch accounts starting March 1st and will expand to other pay required and optional fees in the future. PaySchools Central also allows parents to opt into and manage email reminders about their student's accounts, so it's easy to remember to replenish lunch accounts.

PaySchools Central will be available via the district website, Parent Portal, and a direct online link.

A convenient mobile app is also available. Stay tuned for more information!

Why PaySchools Central?

- Payments can be made by credit card 24 hours a day, 7 days a week at the parents' convenience – online or via the mobile app
- Parents can review student purchases, along with account balance information
- PaySchools Central supports increased communication between our school and our families
- Online payments are fast, easy to manage (even for multiple students), and more convenient than writing multiple checks
- At lunch time, our cashiers will spend less time taking cash at the serving lines, so students have more time to eat
- No more lost lunch money, cash or checks on the journey from home to school!

Convenient Features for Parents

- Parents can opt in to receive email notifications when a student account balance falls below a threshold set by the parent
- Parents can use an automatic payment feature which replenishes their student account(s) when the balance falls below a level set by the parent
- Important school communications are automatically emailed to parents
- Student information is automatically transferred from year to year and even from school to school
- Parents can manage accounts for multiple students with a single login
- Parents can manage payments via an easy-to-use online portal, or while on the go with a convenient mobile app
- PaySchools is PCI compliant and maintains industry standard SSL certificates. This ensures all data is safe and secure
- A continuous online survey is provided to monitor parent feedback and ideas
