Dear Parents/Guardians:

On Monday, March 23, 2020, the Pawling Central School District will begin distributing breakfast and lunch to our students. Below you will find a schedule of our centralized locations and times for meal distribution. Any PCSD student or sibling 18 years old and younger, living in a household with a Pawling CSD student, is eligible to receive a breakfast and lunch meal each day. We will be distributing a complete lunch meal for the day of pick up and a complete breakfast meal for the following morning.

In order to best prepare for your arrival, and to minimize waste during this critical time, we ask that you call 845-855-4605 and leave a detailed message or complete the form on the Food Services page at the District website, [www.Pawlingschools.org](http://www.Pawlingschools.org), with your location choice and number of meals. In addition to the meal requests, please notify us ahead of time of any medically documented dietary needs.
