Dear Parent or Guardian:

If your child is eligible for free and reduced price meals, he/she also may be eligible for other benefits. In order to receive these benefits, you must provide written consent to permit school officials to give your name, address, and an indication that your household is eligible for free and reduced price meals or free milk, to representatives of certain programs. Failure to sign consent statement that will allow disclosure of this information will not affect your child's eligibility or participation in the school meals program.

Some of the programs that may request names and eligibility information to be used to provide benefits, and for which parent/guardian consent is required, include school education programs and community organizations. For example, the disclosure of children's eligibility for free and reduced price meals will be used to obtain free band instruments and might be used by other programs in the future, such as reduced fees for school trips and other costs that families typically bear.

If you wish to provide consent to release information contained in your child's free and reduced price meal application, in order to receive other benefits, please complete the attached consent statement and return it to Mrs. Jan Traynor-Hack, Director of Food Service and Wellness. If you have any questions, she can be reached at 845-855-4627.

Sincerely,

A handwritten signature in cursive script that reads "Neysa Sensenig".
