Dear Health Insurance Member:

By now you should have received Form 1095-C in the mail. For a second year, the Pawling Central School District was required to send this form to individuals covered or who were offered coverage under the District health insurance plans. The District contracted with MHRIC to complete the 1095-C and 1094-B forms for the 2016 calendar year.

You will find the following information on the District's website under the Finance Tab/Benefits/ACA Notification

- 1) IRS Publication 5187 – Affordable Care Act: What You and Your Family Need to Know for Tax Year 2016,
- 2) IRS Publication 5201 – The Health Care Law and Your Taxes,
- 3) Form 1040 – Line 61 and 1040A – line38 with instructions on reporting Health Care: individual responsibility.

You may also find information at the following links:

<https://www.irs.gov/affordable-care-act>

<https://www.irs.gov/pub/irs-pdf/p5201.pdf> .

Please consult with your tax preparer regarding the completion of your tax forms.

Finally, if you have any corrections to information supplied on the 1095-C, please contact Brian Cordella at extension 4606 or by email cordellab@pcsdny.org to have the information corrected before the District submits the documents to the IRS. Some corrections may include a name, social security number, or dependent who no longer is covered under the health plan.

If you should have any further questions about these changes, please contact me at extension 4661.

Very truly yours,

Dr. Neysa T Sensenig
