Berkeley Township School District Plays

Students at all four schools in our district participated in drama plays this spring. Those plays were 101 Dalmatians (Bayville School), High School Musical (Berkeley Township Elementary School), Cinderella (Clara B. Worth School) and The Jungle Book (H & M Potter School). These performances were enjoyed by fellow students, staff, parents and families. We appreciate our students' hard work and dedication and are grateful to the support provided by parents to ensure the success of these productions.

NJSLA Testing

Third through sixth grade students in Berkeley Township School District participated in the NJSLA testing during the month of May. NJSLA, which are the New Jersey Student Learning Assessments, measure whether students are on track to being college or career ready in English Language Arts Literacy and Mathematics. Fifth grade students in our district also completed the NJSLA-S tests for Science. These computer-based tests are one of many tools our district uses to better understand and meet the needs of our students.
