## **Berkeley Township School District PARCC Assessments Teacher, Nurse, and Staff Appreciation Week Spotlight on Curriculum Night**

Third through sixth grade students in Berkeley Township School District participated in the PARCC (Partnership for Assessment of Readiness for College and Careers) assessments during the month of April. These computer-based assessments are designed to show the progress students are making to meet standards in Reading, Writing, and Mathematics. They provide better information for teachers and parents in order to enhance instruction to meet individual student needs.

All four schools in Berkeley Township School District celebrated Teacher, Nurse, and Staff Appreciation Week during the week of May 2, 2016 through May 6, 2016. We are proud of the commitment these staff members make to educate the children in our district. Their hard work and dedication impact the lives of our students on a daily basis.

Parents and students joined Berkeley Township School District administrators and staff for the Spotlight on Curriculum Night on Monday, May 16, 2016, held at Berkeley Township Elementary School. Families were informed about the many new initiatives our district will be implementing for the 2016-2017 school year.

*“Education is the threshold of a dream”*
