Curriculum Night

Berkeley Township School District hosted Curriculum Night on June 12, 2017. This evening provided an opportunity for parents to learn about the exciting new programs our district will implement for the 2017-2018 school year. Parents received information on the new reading and science programs, as well as an update on our 1:1 technology initiative and a review of the world language program. Participation in the reading challenges established over the summer and during the school year was encouraged.

Stokes Trip

Sixth grade students from Berkeley Township Elementary School traveled to the NJ School of Conservation at Stokes State Forest for a three day trip during the week of June 5, 2017- June 9, 2017. This trip promotes leadership, self- confidence and teamwork. Students participate in a variety of activities, including archery, fishing, boating and hiking. Students learn an appreciation for nature as they explore trails and search for wildlife. Berkeley Township School District has participated in this adventure for over 50 years.
