Berkeley Township School District Back to School Night

Back to School Night was held on September 14, 2015 at Berkeley Township Elementary School and on September 15, 2015 at Bayville School, Clara B. Worth School, and H & M Potter School. The event was widely attended by parents, who were able to meet the teachers and administrators and sign up for PTA membership. The importance of communication between home and school was addressed, and parents were encouraged to stay informed through our school websites, Facebook and Twitter pages.

In keeping with our “going green” initiative, parents were encouraged to sign up for Parent/Teacher Conferences through the Parent Portal in our student information system.

We thank the parents for coming out to this informative event. Back to School Night served as a positive beginning to the new school year!

“Education is the threshold of a dream”
