## **School Board Recognition**

On January 22, 2019 board members were recognized at the Berkeley Township Board of Education Meeting for their service to the students of our district. We appreciate the countless hours they volunteer for the children of our community during January, New Jersey's School Board Recognition Month, and all of the other months of the year. We are very pleased to work with our board members to meet the needs of our students.

## **Preschool Registration**

Berkeley Township School District held registration for 3 and 4 year old residents for our free full day preschool program for the 2019-2020 school year during the week of January 28th to February 1st. Over 275 parents braved the cold to come out and register their children. We will utilize a state approved curriculum and certified teachers. The Department of Early Childhood Education will provide professional development and technical assistance geared toward the implementation of high-quality preschool programming. We look forward to welcoming these students to our district at orientation in August!
