## **Welcome Preschool Students!**

Berkeley Township School District welcomed 111 new preschool students on October 1, 2018 as part of the Preschool Education Expansion Aid program, providing a free full day preschool program to all four year old residents. The district was awarded this funding in August by the New Jersey Department of Education and since that time we have been busy preparing for our new students at Bayville School, Clara B. Worth School and the H & M Potter School!

## **Week of Respect**

October 1, 2018- October 5, 2018

All four schools in Berkeley Township School District celebrated the Week of Respect from October 1, 2018 through October 5, 2018. During this week our schools provided a variety of lessons to focus on the prevention of harassment, intimidation and bullying. Students were recognized for random acts of kindness and for taking time to make a positive difference in our schools. They celebrated the Week of Respect with Respect Walks. Students also participated in Theme Days, including Dress Your Best Day, where students showed self respect by dressing and doing their best, Take Charge Day, where students showed respect for authority by dressing up as someone they look up to, Mismatch Day, where students wore mismatched clothing to show the importance of respecting and accepting our differences, and Team Jersey Day, where students wore jerseys and teamed up to treat others the way we want to be treated. The schools also held assemblies for Project TEAM, our Character Education Program.

## **National Bus Safety Week**

All four schools in Berkeley Township School District observed National Bus Safety Week from October 15, 2018 to October 19, 2018. Letters, posters and banners from our students were displayed at an appreciation breakfast for our transportation staff. Our district promotes bus safety this week and all weeks of the school year.
