Berkeley Township School District Board of Education Meeting Toys for Tots Fundraiser Holiday Concerts

The December 1, 2015 Board of Education Meeting was quite eventful. Maryann Van Lenten, who has worked in the district for 30 years, received the 2015 New Jersey Library Assistant of the Year Award. Dr. DyAnn DeClerico, our District Director of Elementary Education who will be retiring in March, received a certificate in appreciation of her years of service to the district. Congratulations go out to Mrs. Andrea Cimino and Dr. Jeffery Zito, for their appointments as Principal of H & M Potter School and District Director of Elementary Education, respectively.

On Friday, December 11, 2015, staff members from Berkeley Township School District and Central Regional School District competed in a basketball tournament to raise money for Toys for Tots. Students and families enjoyed the event!

Composer Michael Tippett said, "Music is a performance and needs the audience". All four schools in Berkeley Township School District held holiday chorus concerts this month. Families and friends attended these concerts and enjoyed the holiday performances. We would like to thank our hardworking students and the teachers who guided their performances!
