Berkeley Township School District Board of Education Members Sworn In January 5, 2016 BTSD EdCamp January 18, 2016

Mr. Robert Martino, Mr. Louis Tuminaro, Mr. Gerard Reuter, and Mr. Keith Fisher were sworn in at the January 5, 2016 Berkeley Township Board of Education Meeting. We welcome these gentlemen and appreciate their service to our community!

On January 18, 2016, Berkeley Township School District held its first EdCamp, a participant-driven professional development day that provided opportunities for staff to collaborate and solve problems. Educators concentrated on expressing ideas and learning with and from each other in sessions built into a schedule together during the morning of the event. The day was very productive and successful!

“Education is the threshold of a dream”
