H. & M. Potter Main Vestibule - The footing inspections are all completed and the concrete

has been poured. The main office is being relocated to the left of the old entrance. The completion of the project is estimated to be in October. The biggest delay is in waiting for the storefront system to be fabricated and installed. This will greatly increase the safety of our students.

Bus Garage – We are still seeking approvals and some architectural modifications that have been made due to code restrictions.

Clara B. Worth – The new roofing project is underway and should be completed around October.

Energy Audit – Ms. Venter has applied for 100% of the cost to be reimbursed to the district.

Bayville School – The C and D wings have been completely renovated. New 25 watt light bulbs have been installed to save costs.

Berkeley Township Elementary School – New stair treads have been installed in all the stairwells.

Mr. Tuminaro left the meeting at 8:00 p.m.

#### **XI. PUBLIC DISCUSSION ON AGENDA ITEMS:**

None.

#### **XII. COMMITTEE REPORTS:**

##### **1. Education and Liaison to Central Regional: Dave Ytreboe, Chairperson**

Mr. Ytreboe announced that a tuition based integrated Preschool program for four-year old students will begin in September. The program will be a daily five-hour program with door-to-door busing. The program of instruction is “Creative Curriculum,” which is a State recommended program. Preschool students will be integrated with the special needs students for early intervention. Mr. Ytreboe is very proud of administration and his committee members for taking this idea and making it a reality for September 6. This will help make a smooth transition for students from preschool to kindergarten and also becomes an outside source of revenue for the district.

MOTION by Mr. Fulcomer to authorize the superintendent to implement the tuition based integrated preschool program that the Education Committee is recommending.

SECOND by Ms. Gingrich.

ROLL CALL VOTE: (7 Ayes, 0 Nays, 0 Abstains). Motion carries.

**2. Community Relations: Sal Ferlise, Chairperson**

On July 12, 2012 Mr. Ferlise stated that he attended a meeting with school administrators, Stokes Foundation and the teachers' union and that they were all on the same page in wanting to put the students' interests first. They spoke about the Foundation's objective in addition to the Stokes trip. Their goal is to help teachers in the development of science projects.

Mr. Ferlise noted that part of the east lawn at Potter School is going to be made into a parking lot. This area also has a square foot garden, which is a science project. Mr. Ferlise is asking that the garden be spared from the asphalt.

Mr. Ferlise thanked Mr. Pellecchia and Mr. Fulcomer for meeting with him at the bus garage to discuss the plans for the addition to the garage. Ms. Venter showed Mr. Ferlise the new plans regarding the addition, and he believes it is a very good solution.

Mr. Ferlise came close to cancelling the Stokes Car Show due to the weather conditions and the closure of the west bound lane in front of Veterans Park. He is very happy they decided not to cancel the event as the Car Show collected \$1,397. They will put this money to very good use. They are now planning to hold another Car Show on October 20, 2012 at the Rec Center on Route 9.

In closing, Mr. Ferlise would like to thank the Board, Mayor and Town Council for their support. He would also like to thank the Mayor for presenting the Mayor's Cup, Mr. Jim Byrnes for bring his tents, all the sponsors and people who worked on the show, and Mrs. Gingrich for helping to advertise the show.

Mr. Pellecchia thanked Mr. Ferlise on behalf of the Stokes trip that the money collected from the Car Show will help to pay for students who otherwise could not afford to attend the trip.

Mr. Fulcomer also thanked Mr. Ferlise for his hard work in arranging the show.

**3. Personnel and Negotiations: Sophia Gingrich, Chairperson**

All personnel matters were outlined and discussed previously by the Superintendent.

**4. Finance: Noriko Kowalewski, Chairperson**

Mrs. Kowalewski announced that our pilot preschool program has generated \$72,000 in revenue for the district which will offset the hiring of an additional preschool teacher. Also by hiring two new supervisors instead of hiring vice principals, they have saved the district approximately \$20,000. This initial cost savings was a result of the retirement of Ms. Lippincott and the reassignment of Dr. Roselli along with the hiring of Mr. Burr and Mrs. Guinan. Step 1 is \$105,000, and they will not be hiring a vice principal for Mrs. Guinan's position so the district was able to hire two supervisors still at cost savings to the taxpayers.

Ms. Kowalewski reported that the Finance Committee met today and all purchase orders and the bill list were reviewed and approved for payment.

The Finance Committee reviewed the following at the August 16<sup>th</sup> meeting:

Purchase orders numbered 12-01777 through 12-01804 in the amount of \$309,552.80; 13-00001 through 13-00241, 13-05000 through 13-05186, 13-XEROX in the amount of \$9,674,062.95 and 13-00242 through 13-00333 in the amount of \$213,964.49.

#### **5. Consolidated/Shared Services: Jim Fulcomer, Chairperson**

The Committee had a meeting tonight and reviewed the 22 shared service contracts including three categories that are currently pending with Berkeley Township. The Business Administrator recorded that the cost savings for these programs are primarily for other governmental units, two of which help to provide cost savings for Berkeley Township taxpayers because the municipality and Central Regional gained some cost savings from our services to them which is also paid for by Berkeley Township taxpayers.

They discussed the problem that children in South Seaside Park and Pelican Island have to travel a long distance to attend school.

### **XIII. BUSINESS ADMINISTRATOR'S AGENDA:**

MOTION by Mr. Ytreboe that the Business Administrator/Board Secretary's Items 1 - 7 be approved.

SECOND by Ms. Gingrich.

Mr. Fulcomer then stated he had an amendment to the proposed May 24, 2012 Regular Meeting Minutes (Item 1a).

MOTION by Mr. Fulcomer that the May 24, 2012 Regular Meeting Minutes be amended with the following corrections:

Substitute the word "considered" for the words "voted on" on the third line under VIII. Superintendent's Agenda on page 3.

Substitute the following for lines 13 through 16 on page 8: "It was moved and seconded that the recommendation of the Superintendent Item A4 be approved. During discussion, Mrs. Kowalewski moved that the question be called (close debate). Mr. Tuminaro seconded the motion to close the debate. The motion to close the debate was adopted by a Roll Call Vote of 5 ayes, 2 nays (Mr. Ferlise and Mr. Fulcomer), and one abstention (Mr. MacMoyle).

Add the following to XI. Public Discussion on Agenda Items immediately after line 7 on page 20: Mrs. Fulcomer, noting that she has served for 37 years under five superintendents,

said that she appreciates Mr. Vicari's outstanding service and wishes him well. She then asked Mrs. Kowalewski to describe her motion on A4, and Mrs. Kowalewski said it was "to stop talking." Citing her years as a paid parliamentarian for the Union Township Education Association, Mrs. Fulcomer stated that on A4 Supervisor of Transportation, the Board voted to close the debate but never voted on approving the appointment of the Supervisor of Transportation and that the Board should vote on the motion to approve the appointment.

Mr. Fulcomer continued to explain that this amendment is necessary as the proposed minutes do not accurately reflect what transpired during the meeting.

Dr. Roselli asked Mr. Budes, Acting Board Attorney, what his interpretation was for the meeting on May 24. Mr. Budes indicated the procedure that should be followed on approving the minutes.

SECOND by Mr. Ferlise.

ROLL CALL VOTE: (2 Ayes; 4 Nays – Ms. Gingrich, Mrs. Kowalewski, Mr. Ytreboe, and Mr. Pellicchia; 1 Abstain – Mr. Reuter). Motion does not carry.

Mr. Fulcomer then asked the Board President to take a vote on the minutes as they now stand. Mr. Fulcomer stated that this will be the first time in his life that he will be voting "no" on minutes because he still believes that a portion of the minutes that he addressed are false. He also stated he was a Freeholder for three years, a Councilman for 16 years, has been a member of many boards of various public bodies and has never voted no on minutes because they were accurate.

Mr. Ferlise then suggested that a new vote be taken on the appointment of Barbara Fitzpatrick as Supervisor of Transportation.

Mr. Budes stated that this would be unnecessary if the minutes were approved.

ROLL CALL VOTE on Items 1 - 7: (7 Ayes; 2 Nays – Mr. Ferlise and Mr. Fulcomer on Item 1a; 2 Abstains – Mr. Reuter on Items 1a – 1h, Mr. Ytreboe on Items 1g and 1h). Motion carries.

**XVI. PUBLIC DISCUSSION OF NON-AGENDA ITEMS:**

BTEA President, Jerry Duggan, on behalf of the Association congratulated Dr. Roselli, Mrs. Guinan, Mr. Burr, Mr. McShaffrey, and Ms. Cimino and wished them well. They are looking forward to a great year.

Ms. Peg Crawford offered her thanks for the mandatory substitute training and also for including special education aides in the first day of professional training so that the aides are able to discuss the program with teachers before students arrive.

Mrs. Kathy Fulcomer asked if she might discuss the May 24<sup>th</sup> minutes. Mr. Pellecchia agreed to let her speak. She stated that she was concerned that what she said was inaccurately recorded in the minutes. Rather than be misrepresented, she told Ms. Venter that after she commended Mr. Vicari, that the motion to approve Mrs. Fitzpatrick as Supervisor of Transportation was never actually made. Mrs. Fulcomer commented she would rather not be misrepresented, she'd rather it be like she was never there. However, she would like to reiterate that what she spoke was the truth whether the Board agrees with what she said or with *Robert Rules*. Her concern was only the reporting of what she said and that was that the Board never really voted on the motion to approve the appointment of Mrs. Fitzpatrick. That is the truth.

**XVII. EXECUTIVE SESSION:**

MOTION by Mr. Fulcomer that the Board move into Executive Session at this time, 8:05 p.m., for the purpose of discussing a student matter as outlined under the Open Public Meetings Act. The Board will not be reconvening into Open Session following the Executive Session. When, and if, the Board of Education takes action on any of the matters, the action will be disclosed to the public.
