## **Berkeley Township School District Veterans Day Parent/Teacher Conferences**

Veterans visited all four schools in Berkeley Township School District on November 11, 2015 to share with our students the importance of Veterans Day and their personal stories. Students also participated in a variety of activities to celebrate this important day, including outdoor flag-raising ceremonies, singing patriotic songs, creating artwork, posters and murals, wearing patriotic colors and camouflage and many other classroom activities. We appreciate the service our veterans have provided to our country.

Parent/teacher conferences took place on November 23, 2015 and November 24, 2015 in Berkeley Schools. In our continuing efforts to “go green” and cut down on paper usage, this year parents were able to schedule conferences online through our Parent Portal. We are pleased to report parent/teacher conferences were highly attended.
