## **Berkeley Township School District Jump Rope for Heart Autism Awareness Month**

Berkeley Township School District participated in kick off assemblies for Jump Rope for Heart. The Ocean Township High School Jump Team visited our schools to work with our students and show the students skills and tricks. Students learned from an American Heart Association representative how to develop heart-healthy habits while being physically active!

Staff, students and parents participated in Light It Up Blue Day on April 6, 2016, one of many activities that took place in Berkeley Township School District for National Autism Awareness Month during April. We are proud to promote acceptance and awareness in our schools and beyond for the many individuals affected by this diagnosis.
