School Board Recognition

On January 23, 2018 board members were recognized at the Berkeley Township Board of Education Meeting for their service to the students of our district. We appreciate the countless hours they volunteer for the children of our community during January, New Jersey's School Board Recognition Month, and all of the other months of the year. We are very pleased to work with our board members to meet the needs of our students.

Vision 2021

Berkeley Township School District held our first of three strategic planning sessions on Tuesday, January 23, 2018. A group comprised of students, staff, parents, community members, business owners and alumni met to discuss Points of Pride, what they believe is working well within the district and what makes them a proud affiliate of Berkeley Township. The next meeting will be held on February 27, 2018 at 5:00 p.m. at the Berkeley Township Elementary School to discuss Expectations for the Future. All interested parties are welcome to attend.
