

Dear Powhatan Families,

Powhatan County Public Schools and Sodexo School Food Services have partnered to provide the most innovative nutritional fun School Food Service Program. We will be introducing the Kids Way Cafe program, a Nutritional but colorful and fun filled program at all Elementary Schools. Powhatan Middle school students will be able to participate in Sodexo's DYK Cafe and High school students will see the introduction of Taste 4 throughout the school year, which focuses on nutritional, fresh and convenient retail concept meal choices.

All Powhatan County Public Schools participate in the National School Lunch and Breakfast program ensuring that meals are healthy, well-balanced and provide students the nutrition they need to succeed at school. School meals currently offer students milk, fruits and vegetables, proteins, and grains, as well as meet the strict limits on saturated fat, sodium regulations, and portion size.

A new meal application must be submitted each year. If you feel you are eligible please submit a 2018-2019 application to Sada Hill at 804-598-5706 Ext. 105 or email sada.hill@powhatan.k12.va.us. Applications can be obtained from a school office, cafeteria or online. Only one application is needed per household. Please remember a parent or guardian is responsible for any charges a student makes until the student's application is approved. Fax or scanned applications cannot be accepted Notifications will be mailed to the student's home once they have been approved.

Now is the perfect time to encourage your children to choose school breakfast and lunch! We look forward to seeing your child(ren) this new school year.

For Any Questions Please contact the
Food Service Director Dorothy Kohler at
804-598-5792 ext. 3157 or Cell 804-334-4288
Or email dorothy.kohler@powhatan.k12.va.us
