Re: Family Educational Rights and Privacy Act (FERPA)

Parents,

Winona-Montgomery Consolidated School District would like to share the following information with you regarding your rights to access your child's records and our responsibility to protect the privacy of your child's educational record.

The Family Educational Rights and Privacy Act (FERPA):

- Prohibits the improper disclosure of personally identifiable information of your child's records
- Requires schools to ensure privacy protections of the records
- Gives parents and eligible students the right to see their records
- Schools must inform eligible students and parents of their rights/methods to access the records (handbooks, registration, website, meetings)
- FERPA has a complaint process – Please contact Peggy Jackson, WMCS D Academic Officer at 662-283-1000. If you are not satisfied with Mrs. Jackson's response you may also contact the following: Family Policy Compliance Office
